

## Anne-Laure Dupont appointed Principal

**Paris, 3<sup>th</sup> September 2020** – Consolidation et Développement Gestion (CDG), FCDE's fund management company, announces that Anne-Laure Dupont is appointed Principal and becomes a shareholder of CDG.

Anne-Laure Dupont joined the FCDE team in August 2014. She was promoted to Investment Manager in March 2017 and Investment Director in May 2019. Anne-Laure was notably involved in FCDE's investments in Récréa, Gestal, UTAC, Babcock Wanson and De Fursac (sold to SMCP).

Anne-Laure previously spent three years as an Investment Associate with Butler Industries. She took part in the process of acquiring businesses under receivership, monitoring their operational and financial progress, and was involved in developing their activity internationally. She had previously gained experience in mergers and acquisitions as part of the execution team of Crédit Agricole CIB.

Anne-Laure holds a Master of Management Science degree from Dauphine University, Paris and a Master in Financial Techniques from ESSEC Business School.

### **About FCDE**

Through its contribution in human and financial resources, FCDE (Fonds de Consolidation et de Développement des Entreprises) supports the transformation and development of high-potential French small and medium companies. With €400 million in assets under management, investor base gathers France's main financial institutions (bpifrance, banks and insurance groups). FCDE is managed by Consolidation & Développement Gestion, an independent fund management company regulated by the AMF, the French financial markets authority.
