

Charlotte Lepetit and Julien Di Marco appointed to the Executive Committee of FCDE

Paris, 26 September 2017 – Consolidation et Développement Gestion (CDG), FCDE's management company, announces the appointment of Charlotte Lepetit, Corporate Secretary, and Julien Di Marco, Partner, to the Executive Committee of CDG.

The Executive Committee of CDG consists of Benoît Sellam (Chairman), Amélie Brossier (General Manager), Julien Di Marco (Partner) and Charlotte Lepetit (Corporate Secretary).

Benoît Sellam, Chairman of CDG: *“Following the appointment of Amélie Brossier as General Manager of CDG, the appointment of Charlotte and Julien to the Executive Committee confirm the strengthening of our governance and signals a new stage in our development.”*

Charlotte Lepetit, Corporate Secretary

Charlotte Lepetit joined the FCDE team in October 2013 as Corporate Secretary. She had previously been Senior Manager with KPMG Audit in the investment services department. Charlotte was involved in audit and advisory services with numerous players in the asset management and private equity sectors.

Charlotte is specialised in the structuring and development of internal control and administrative and financial management functions of asset management companies. She holds a degree from Paris-Dauphine University.

Julien di Marco, Partner

Julien Di Marco joined the FCDE team when it was first set up at the beginning of 2010, as an Investment Analyst. He was promoted to Investment Director at the beginning of 2011 and to Managing Partner in July 2015. Notable investments in which Julien has been involved include those in SPS, Editor, Girard-Agediss, ASI, WeYou (Tarsus) and Babcock Wanson.

Previously an Investment Manager with mid-market LBO fund Activa Capital, which he joined in 2007, Julien was involved in the acquisition, follow-up or sale of Françoise Saget Linvosges, BFI Optilas and Sport 2000.

Julien started his career in 2001 as an auditor with KPMG before working as a consultant from 2005 to 2007 in the Transaction Advisory Services department of Ernst & Young, where he

carried out financial due diligence and corporate restructuring assignments. Julien is a graduate of ESSEC Business School and a qualified accountant.

About FCDE

Through its contribution in human and financial resources, FCDE (Fonds de Consolidation et de Développement des Entreprises) supports the development and transformation of high-potential businesses. With €400 million assets under management, it brings together the main financial institutions operating in France (bpifrance, banks and insurance undertakings). FCDE is managed by Consolidation & Développement Gestion, an independent management company approved by the AMF, the French financial markets authority.
