

Jules Bosser appointed Partner of FCDE

Paris, November 13, 2025 – FCDE announces that Jules Bosser is appointed Partner and member of the Investment Committee.

Jules Bosser joined FCDE in June 2014. He was promoted to Investment Director in April 2021 and Principal in January 2023.

Jules notably participated in the investments Kermel, Bertin Technologies, Canal Toys, NES, SERMA, WeYou, ASI, Eventis and Plastibell.

Jules has gathered more than 10 years of experience in developing companies and managing change. He is an active investment professional and has supported several management teams in helping them implement ambitious growth and transformation plans.

Previously, Jules spent 3 years with the financial advisory firm Accuracy, in financial restructuring and due diligence assignments on both the buyer and vendor sides on behalf of private equity funds and industrial groups. He also gained experience in M&A advisory at Messier Partners.

Jules graduated from ESCP Europe Business School.

Benoît Sellam, CEO of FCDE: « *We are delighted to welcome Jules in the Partners team as a testimony of our trust and recognition of his contribution to FCDE's success. As a result of Jules's appointment, the Investment Committee of FCDE now comprises six Partners.* »

About FCDE

FCDE is a French private equity firm specialized in the development and transformation of SMEs and mid-cap companies with strong growth potential. Based on a responsible investment approach, FCDE provides human and financial resources to help management teams drive sustainable operational improvement and long-term value creation. FCDE has supported more than 30 entrepreneurial projects, helping them reach the next stage of their development by implementing transformative strategies and driving change.
